Work History

Safeway - Courtesy Clerk

Milwaukie, OR

03/2018 - Current

- Restocked, arranged and organized merchandise in front lanes to drive product sales
- Returned unwanted items to correct store locations and restocked shelves

Autodesk - Computer Programmer

Lake Oswego, OR

05/2015 - 08/2019

designed the backed to a robot simulator.

making robot programs that would traditionally only work on a physical robot work towards a simulated world.

the ideal setup was that user facing code would work the same whether your running this on a actual robot or virtual robot.
